

# MEET THE BIGGEST **IMMO OFF** SOLUTIONS DATABASE IN THE WORLD

## IMMO BYPASS

BY CARLABIMMO

**Bring the biggest database of IMMO OFF files to  
your workshop!**

- Thousands of repair solutions
- Only tested and working files
- File modifications on demand
- No tokens - unlimited access
- Low price - yearly subscription
- Free updates during subscription

**More than 9000 solutions available for your workshop are  
available at any time on PC, Android or iOS!**

Immo Bypass database contains:

## **ECU FILES**

ECU files are the core of Immo Bypass.

Each solution consists of files - original and modified dumps that can be downloaded and programmed into your ECU.

Immo Bypass contains the following file types:

### **IMMO OFF**

**IMMO OFF Files are the majority of our database. These files can be used To permanently remove immobiliser signal in a vehicle.**

### **VIRGIN/SYNC**

**Clear your ECU and restore it to factory settings, allowing you to adapt it to another car.**

### **EMULATOR**

**Some solutions require installing an emulator in the ECU. Immo Bypass has ready-to-use files and instructions to make the procedure easier.**

### **KEY WRITING**

**Program the values of the key code into the ECU memory.**

## PIN

Sometimes it is required to have a security access code to an ECU. PIN solutions in Immo Bypass explain how to calculate this code.

## PICTURES

Detailed pictures and wiring diagrams of every ECU constitute a large portion of our database.

Tens of thousands of photos make Immo Bypass undoubtedly the biggest ECU catalogue of all time!

### COMPONENT PHOTOS

**High quality photos of ECUs, memories, plugs and other components.**

### PINOUTS AND WIRING DIAGRAMS

**Tested and easy-to-read pinouts for thousands of ECUs in one place. Sounds helpful, right?**

### SOFTWARE SCREENSHOTS

**If a solution requires using a third-party software, we will show you how to use it on screenshots.**

## DESCRIPTIONS

We provide text instructions that will guide you through the procedures. You will also find car and ECU information included.

### PROCEDURE DESCRIPTIONS

**Every solution contains a detailed description to make your work as easy and smooth as possible!**

### VEHICLE AND ECU INFORMATION

**Most of ECUs in our database are well described and connected to a specific car where it is mounted.**

## TECH SUPPORT

Users with active Immo Bypass subscription can use our Official **Technical Support**.

There are two ways to use it:

**Ask for help with an existing Immo Bypass solution**

**Ask for your own file modification**

And, most importantly, support on the Forum is provided by our professional Technical Experts!
