

## Change the email address for FCA account

**Background:** FCA has changed the password reset process, LAUNCH Europe cannot reset the password for the customer any more. The password reset should be done from customer with correct email address.

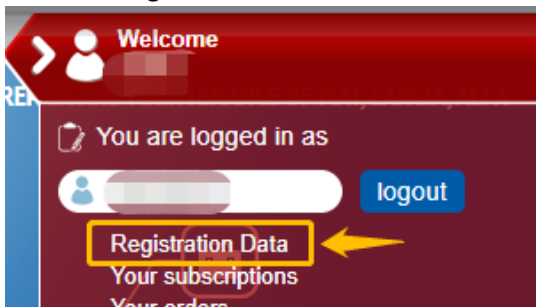

**Please enter the correct email address for your FCA account as soon as possible.**

### Procedure:

1. Please login the <https://www.technicalinformation.fiat.com/tech-info-web/web/index.do#>

2. Click on "Registration Data".

3. Click on "User data", enter the correct email address, and then click on "Save".

Fill in all the fields mandatory for registration. (\*) The fields marked by an asterisk are mandatory
